Environmental Policy

Benchmark Products supply creative work surface and storage solutions to the education, health and leisure industry.

We recognise the need for sustainable development and continually aim to reduce the environmental impact of our activities.

To achieve this we will:-

Establish sound environmental management by:-

- Meeting or improving upon relevant legislative, regulatory and environmental codes of practice.
- Developing objectives that target environmental improvements and monitor performance by regular review.
- Considering any environmental issues in the decision-making process.
- Developing a relationship with suppliers and contractors so that we all recognise our environmental responsibilities.
- Educating staff so that they carry out their activities in an environmentally responsible manner.
- Preventing pollution and continually improving our environmental performance.

Provide for the effective use of resources by:-

- Promoting waste minimisation and recycling or finding other uses for by-products whenever economically viable.
- Promoting the efficient use of resources, energy and fuel throughout the organisation's operations.

Co-operate with:-

- The communities in which we operate.
- The Government, regulatory bodies and other interested parties with the shared vision of being a good and trusted neighbour.

This policy will be annually reviewed and updated in line with our significant environmental aspects.
