

# Puraffinity

**Contractor:** Inuti Global

**Architect:** Inuti Global

**Type:** Laboratory Furniture

**Scope of works:**

- Neutral white finishes and high-specification materials throughout all lab and cloakroom furniture.
- Height-adjustable perimeter benching with welded steel cantilever legs and adjustable feet.
- Solid construction cabinetry using moisture-resistant MDF and durable MFC panels.
- Easy-to-clean Trespa SGL worktops with high chemical resistance for lab environments.
- Epoxy resin lab sinks and Watersaver taps for functional, long-term laboratory use.
