

Nu Quantum

Location: Broers Building, Cambridge

Value: £20,000

Contractor: Inuti

Scope of works:

- Neutral, durable finishes with high-spec laminate worktops across all labs.
- Steel cantilever and H-frame benching systems with adjustable feet for stability and flexibility.
- Mobile drawerline storage units on castors for adaptable workspace layouts.
- Integrated reagent shelving, service spines, and stainless steel inset sinks with Monorise taps for full functionality.
- Solid plinth subframes with black MRMDF kickplates for durability and a professional finish.
